x64 1.5in. squares

x8 5in. square

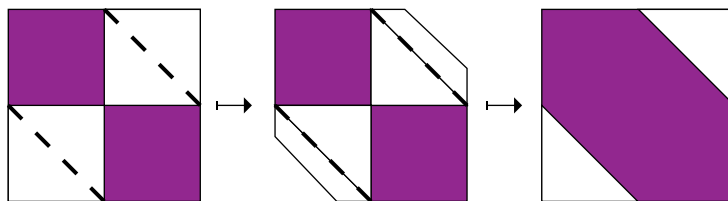

x8 5in. square batting

x8 2in. x 20in. strip for binding

Sewing the Coasters

On the wrong side of the 1.5in. background squares, draw a diagonal line. With right sides together, sew two 1.5in. background squares on opposite corners of a 2.5in. print square, sewing on the diagonal line as shown below. Trim the corners 1/4in. from the diagonal line. Then fold up and iron.

**To nest the seams, press seams toward the print on one of each of the different print squares, then press seams toward the background squares on the remaining print squares. See blog for tutorial.

With right sides together, nesting seams, sew two of the same print together as shown on the right. Repeat with another print. Sew two prints together as shown on the right.

Layer 5in. backing square right side down, then a 5in. batting square, then the finished block. Quilt as desired, then bind. For a binding tutorial, head over to the [Yellow Umbrella Quilts Blog!](#)
